Issue: Continuing and Malicious Reports about Finance Secretary Carlos Dominguez and Sagittarius Mines, Inc.

The following statement is to be attributed to SMI Corporate Linkages Manager Roy D. Antonio:

"In light of several continuing and malicious reports from certain quarters, Sagittarius Mines, Inc. is duty bound to issue this statement in order to put forward the truth:

Sagittarius Mines, Inc. formally and unequivocally states that Finance Secretary Carlos G. Dominguez does not have nor has he ever had any financial or other interest in the corporation. This is an incontrovertible fact which is supported by the required filings submitted by the corporation to pertinent government agencies as required by law."
